

Hong Kong Institution of Physicists in Medicine Training Course on Anatomy

Training Objective

The main objective of this course is to enable students to recognize the various gross structures and their relationship in the human body on medical images. After the introductory lectures, a regional approach will be adopted in the teaching with the aid of medical images.

Course Content

- Introduction to the human body and anatomical terminology
- Introduction to human body systems
 - Skeletal system
 - Digestive system
 - Respiratory system
 - Blood circulatory and lymphatic systems
- Introduction to human body systems
 - Urinary system
 - Reproductive system
 - Nervous system
 - Endocrine system
- Regional and Imaging Anatomy:
 - Head and Neck
 - Thorax
 - Abdomen and pelvis

Date, Time and Venue:

The course will be held on:

Date	Time
26 October 2013	2:00pm-6:00pm
2 November 2013	2:00pm-6:00pm

Duration of course:

8 hours lectures and Q&A

Venue:

Room 1102, 11/F, Li Shu Pui Block,
Nursing School, Hong Kong Sanatorium & Hospital

Speaker

Dr. Maria Law, Ph.D.
Consultant (Medical Imaging & Radiotherapy)
Medical Physics & Research Department
Hong Kong Sanatorium & Hospital
Happy Valley.

Target participants:

Physicists and biomedical engineers who have not studied anatomy before.

Assessment:

Take-home examination.

Accreditation:

This course has been approved by the Hong Kong Institution of Physicists in Medicine.

8 CPD credits is approved by Hong Kong Radiographer's Board

8 CMD units is approved by Medical Dosimetrist Certification Board

Teaching Medium

The course will be conducted in English

Tuition Fee:

HKD \$300 (HKIPM member)

HKD \$600 (member of HKART and HKRA)

HKD \$2,000 (NON-HKIPM member)

* A 50% discount will be given to HKIPM members from the hospital that provides venue for the training.

Enrollment:

Completed registration form shall be sent with a cheque for the tuition fee to Ms. Ruby Ho, Secretary of the Hong Kong Institution of Physicist in Medicine at the address give below. The cheque should be crossed and made payable to "Hong Kong Institution of Physicists in Medicine". (Full payment must be made and no refund for withdrawal will be entertained due to any circumstances).

Ms. Ruby Ho
Medical Physics & Research Department
8/F, Li Shu Fan Block
Hong Kong Sanatorium & Hospital
2 Village Road
Happy Valley
Hong Kong Island .

Closing Date for Application:

Saturday 19 October 2013
